

Credit Union 1 knows the importance of teaching basic financial skills to young people across Alaska. Through our Dollar Dog Kid's Club accounts, we offer young people the opportunity to develop sound savings habits from an early age. This web page was created to enhance our programs and to offer useful information and fun activities for our young members. It is our goal to help promote:

- Sensible money management
- The value of saving
- The importance of financial goal setting

As a parent, you can feel confident about your children's privacy. We do not knowingly solicit or collect data from children, and we do not knowingly interact with children online without express parental consent or notification. If we receive online information from any child we will only use the information to respond directly to a child's request. If you believe your child has provided personally identifiable information to us, please contact us so we can allow you the opportunity to review and delete such information. We recognize that protecting children's identities and online privacy is important and that responsibility rests with us and with parents.

Because the privacy of young readers and other visitors to this website is of the utmost importance, Credit Union 1 has adopted the following privacy policy, which conforms to the Children's Online Privacy Protection Act of 1998:
